

NEED A NEW SUPPLIER?

LET US FIND ONE FOR YOU!

Free \$3500 "Sourcing Services" Package During
National Manufacturing Month (October 2023)

Powered by **VMEC**
VERMONT MANUFACTURING EXCHANGE CENTER

In celebration of National Manufacturing Month in October, VMEC is offering a free "Sourcing Services" package through our CONNEX Vermont platform. This online platform allows VT manufacturers, suppliers and buyers to quickly post and respond to needs, visualize supply chain risk, search for qualified manufacturers, and discover new business opportunities.

Any manufacturer that registers for this promotion during October 2023 will receive a free "Sourcing Services" package, which means that we will do the work for you within the CONNEX Marketplace platform to help you find a qualified U.S. supplier for your manufacturing needs - a \$3500 value!

See the details of this incredible offer below and signup today!

Free "Sourcing Services" Package

Offer Details:

- Open to any manufacturer from small to large
- Complete the registration form (link below) between Oct 1-31, 2023 to qualify for the offer
- The first 25 registrants across the country are guaranteed to receive the free services beginning in October. After that, the services will be provided on first-come-first-serve basis
- The "Sourcing Services" normally costs \$3500 but will be completely free to participants
- Free 30 day use of the platform for all promo registrants
- "Supplier Guarantee" - Free 1 year subscription of the platform if we can't find a qualified supplier.

What's Included:

- An assessment of your supplier needs by the CONNEX Marketplace team
- Assistance with creating a post within the CONNEX Exchange Center detailing your supplier needs
- Searching, finding and reaching out to matching qualified suppliers
- Pre-screening of qualified respondent suppliers
- Scheduling the interview between you and the supplier and preparing the supplier for proper presentation
- Assisting with tracking, follow up and closing out the Exchange Center post
