

VMEC Hosted/ Co-Hosted MFG Day/ Month 2023 Events

Launched annually on the first Friday in October with events that continue throughout the month, [MFG Day](#) helps show the reality of modern manufacturing careers by encouraging thousands of companies and educational institutions around the nation to open their doors to students, parents, teachers and community leaders. MFG Day empowers manufacturers to come together to address their collective challenges so they can help their communities and future generations thrive.
